JANUARY 1940 GRADUATES

Bob Thornburgh, treasurer; Stella Swerplus, vice president; Mary Bennett, secretary; Valentino Innocenti, president.

The graduating class of January 1940 is one of the last classes to have started high school life at Converse High.

We seniors feel valiant for we know we have been one of the many classes that have set standards and good examples for those who will come and take our places.

In 1937 we moved into our new building feeling very much like freshmen again, for we knew not where our next

class room was nor who was to be our instructor. Our contribution to the school at this time was some very good scholars and athletes. As juniors we attended the Junior-Senior Prom.

We have seen four years of high school life pass by us as if it were only yesterday. Although we are about to leave Lanphier we shall not be forgotten for we will be heard of again.
