## RIFLE CLUB

The Rifle Club is composed of boys who want to learn to be better sportsmen and marksmen. First, they learn the fundamentals of safety rules for handling lethal weapons. Second, they learn how to fire from simple positions. From then on it is a case of self initiative whether or not the member progresses

in marksmanship. The competition team is picked from the more advanced members of the club. This team competes against other high school teams in this vicinity.

The club is coached by Mr. John Numrick.
