LANPHIER LIGHT

Well known to the faculty and the student body is the Lanphier Light, whose staff is composed of seniors. All members of the staff must have for their qualifications a B average in English and must be enrolled in the journalism class.

The Light is published bi-monthly and is anxiously awaited by students and faculty alike.

In the journalism class students are able to use their imagination and express themselves skillfully. They also have the opportunity of taking two field trips a year.

At Christmas time, through the generosity of the staff, each student is presented with a candy cane from Santa Claus. Also on St. Patrick's Day, telegrams are exchanged by the students through the efforts of this staff.

Journalism students recognize as their goal the honor of being elected into Quill and Scroll, which is an international journalistic organization.
