## Dedication

It was purely coincidental that Joe Bonafeste, known by some intimates as "Broadway Joe," was chosen for the dedication of a yearbook with the theme of **That's Entertainment**.

Mr. Bonafeste was born and raised in Springfield. He graduated from Griffin High School and from there went to the University of Illinois where he received his B.A., M.A., and Ph.D.

Mr. Bonafeste has affected the lives of many Lanphier students not only as an English teacher but also as a person — a person who cares about them as human beings. As a volunteer football coach he contributed many uncompensated hours because he believed in the benefits derived from athletic competition. He has that rare ability to respond to students as individuals and is always there, whether it is simply to give some badly needed advice or to listen.

It is with deep respect and admiration that we, the 1983 **Lan-Hi** staff, dedicate this yearbook to Mr. Joseph Bonafeste.
