After discovering their positions on Homecoming Court, Queen Carlie Crumpler and Maid of Honor Christy Painter show their happiness.

Homecoming Spirit

More than ever!

If any school had homecoming spirit this year, it was definitely LHS. The students entered the school during Homecoming Week dressed and filled with school spirit. There were three different spirit days: hat and slipper day, hippy day, and of course, orange and black day. The students really went to extremes with their orange and black, bell bottoms, slippers, and hats. The spirit in the school was overwhelming. There were several activities that took place during the Homecoming weekend. The parade

consisted of floats decorated by different clubs and students. After the parade there was a tailgate party which provided food and fun for everyone. The outstanding LHS football team defeated Jacksonville soundly by a score of 50-17 in the Homecoming game. Finally, there was the main event that everyone had been waiting for—the Homecoming dance. The gymnasium was filled with students that were full of spirit and joy. It was a great week of spirit and friendship at LHS.
