## Football

Rebuilding was the main focus for the varsity football team this year. Learning their strengths and weaknesses for themselves and as a team gave them a focus and a goal for the season. "The seniors laid the foundation for our program," commented Coach Steve Buecker, "They played as a team and never gave up." Not giving up is exactly what these young men did. "Watching the team grow and improve was a great part of the season -- along with beating Notre Dame," noted Coach Buecker. The team was led by senior captains Tony Stoutamyer, Ryan Cookson, Dustin Tucker, Randy Tomizoli and Daniel Jordan. They led by example and helped their men understand the concept of teamwork.

"Building a solid foundation this year was very important for the junior varsity squad," explained Coach Bob Buckley. "It was the positive attitudes and great work ethics that made this a great team. The JV team members are going to have great futures!"

They finished a strong season by never stopping and never giving up. Freshmen soon learned the meaning and importance of the word "team." Coach Joe Stevens said, "Everyone came in with positive attitudes and a 'NO QUIT' spirit. They learned the value of leadership by knowing when to step in. They played great as a team and worked hard!"

## Volleyball

The ladies began the year with tough competition, but they always maintained a positive attitude and exuded confidence in each other. Returning seniors, Lexi Smith, Anna Worthy, Tamika Glover, Melissa Shearborn, and Trinity Agans led their team with great style and determination. There were three freshmen who played at the varsity level; Jessica Vonachen, Monica Devault, and Lyndsey Stoutamyer both skill and confidence as they played with the older girls. The varsity girls demonstrated great teamwork and did not give up on each other.

One of their greatest accomplishments was the East Alton Wood River Tournament where they received third place and brought home the hardware. Another memorable event was the Lady Lions Volley for the Cure game against Chatham. The girls came out in their pink uniforms, worked hard and had fun while raising money for breast cancer awareness. A few girls also had individual accomplishments of their own. Smith gained a spot on the CS8 All-Conference team while seniors Glover and Worthy, and junior Kassie Rutherford received honorable mentions.

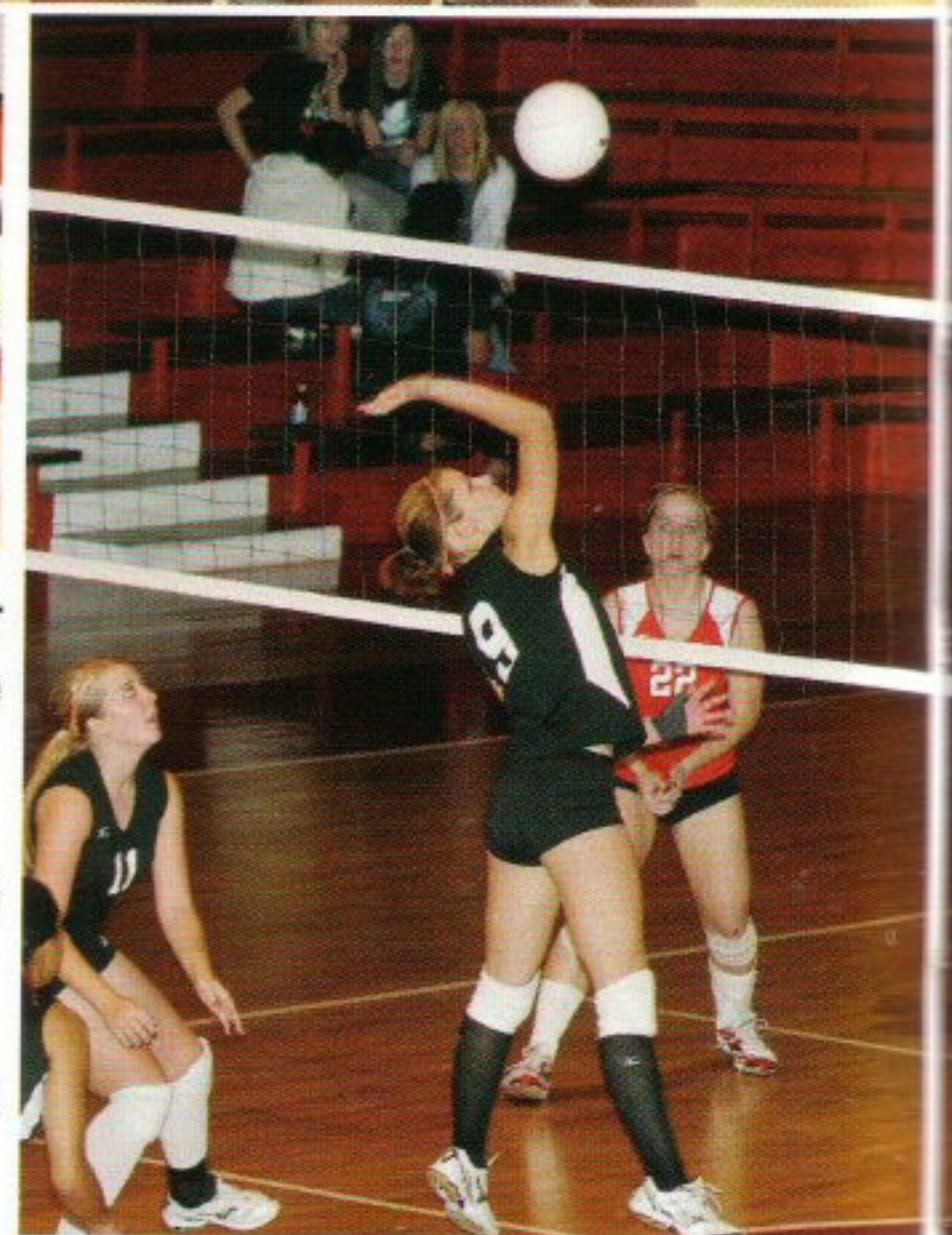

As the year came to an end, Coach Karrie Novy encouraged the girls to continue their hard work in years to come as she announced she would not be returning for another season. Novy has coached volleyball at LHS for eight years and put forth many hours of dedication. Good luck in the future and we will miss you!

## Boys Soccer

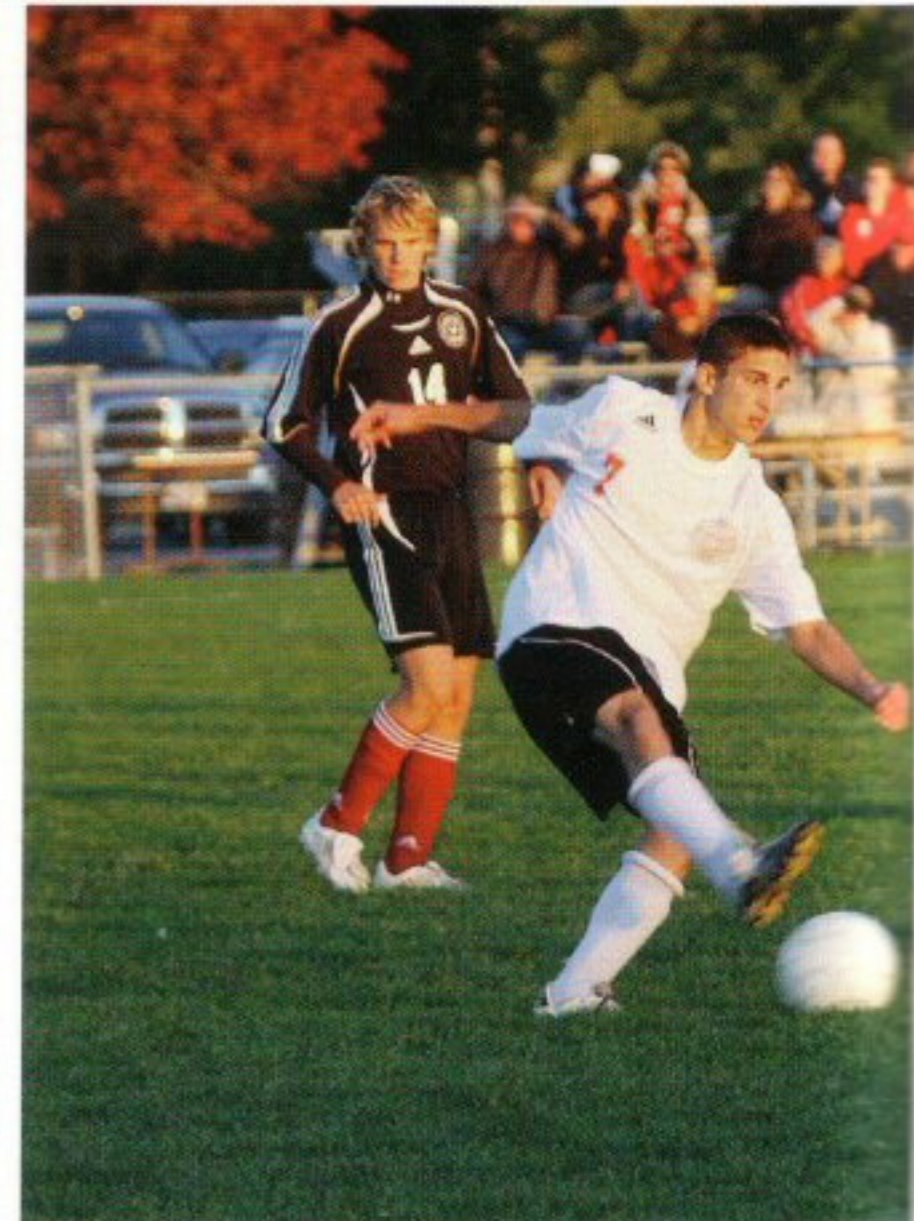

The leadership of captains Clayton Hurley, Nicholas McLean, and Max Holmes were crucial to the success of the season. Scoring three goals in two minutes against the opposing team could not have been possible without the cooperation of the 10 seniors and 11 underclassmen. "They stuck together throughout the season, never quit, and continued to improve." said Coach Joe Casey.

Alex Novy once again led the team in scoring. He scored 20 goals in his first two seasons at LHS. His talent was what the team needed for a promising season and for the future success of the team. Zach Claycomb assisted in making the defensive line as strong as it was this season. Even though these two men were important members of the team, they thrived because of the support and help of their leaders and the other players.

## Cross Country

The cross country team was a team to behold. The girls cross country team had the most runners the Lions have seen in over a decade. Girls that returned this year were seniors Carmen Kremitzki, Danielle Young, Mariana Manzanares and Isabel Ziogas. This was a big accomplishment for the girls team since, in years past, lady lions had to run as individuals in races.

The boys team also left their mark on the competition. With returning members Trevor Herbert, Eric Groteke, Zack Kniery, Mike Goff and Adam Olson. the team was not lacking in experience or talent. The Lions had a few injuries but they drove through and brought it together to have a great race at Regionals in Jacksonville.

With Mike Garcia leading on the boys and Tony Daniels pushing the girls, the cross country team came back to its old glory. All the hard work paid off with Mike Goff, Zack Kniery, Allison Jenkins and Anna Kniery all qualifying for the sectional meet. "They worked together as solid as any team I have coached," Garcia pointed out. This year was a time for renewal of strength for the coaches and team members.

## Girls Tennis

With practice and determination, the girls tennis team finished off the season with three wins. "The team had good chemistry and everyone contributed," observed Coach Brian Graham.

The team had seven returning players including four seniors, two juniors, and one sophomore. "We started and finished with twelve girls -- a record number during my six years as coach," said Graham. Haley Nizzio, Brittany Smith, Danielle Sausaman, and Tierra Conner were all returning starters, with returning player Rachel Mounce and new junior, Carlie Kriener, rounding out the top six. The team also included two foreign exchange students, Jenny Wang from China and Lisa Kim from South Korea.

The highlights of the year for the girls were winning the matches against Southeast and Shelbyville. "We tried hard, got our confidence up, and came out victorious in the end," noted Kriener.

## Golf

The rolling green fairways of the local golf courses saw great talent when the LHS Lions stepped up to the tee. The team set out on a memorable season, highlighted with many personal accomplishments. The team was led by senior Jake Hill and returning talents, junior Gary Alexander and sophomore Brandon Weller. New to the team this year were senior Ronnie Jackson and pacesetter freshman, Ben Patton. The players worked hard all season long and worked together despite few team members and injuries that plagued them throughout the season.

Highlights were Weller and Patton qualifying for sectionals, and Patton advancing to the state tournament even though he dealt with an injury earlier in the season. He was one of only eight freshmen to advance to the state tournament. Overall, the team improved everyday from the beginning to the end. GREAT SEASON LIONS!!!
